

Fellowship Program (New Canadian Residents)

Dear Client,

Thank you for your interest in Accounting Plus Financial Services.

Accounting Plus would be pleased to assist you with the preparation of your **Canadian Personal Income Tax Return (T1)**.

The Canadian tax system requires all individuals who earn an income to file an annual personal tax return for the fiscal year by April 30th of the following year. The personal tax return includes income, deductions and credits.

As a doctor under the fellowship program, you are required to file a personal income tax return in Canada. We have prepared a list of items below according to your fellowship status, including documentation and slips you will need to provide us with in order to file your personal tax return. Please provide us the following list of items as soon as possible, so we can start preparing your personal tax return.
